

Trauma & EMS Performance Improvement Committee Roster

The Trauma and EMS Performance Improvement (TEPI) Standing Committee was formed to assist the State Trauma Advisory Board, EMS Council, and Medical Direction Commission in carrying out the duties described in statute and rule relating to quality improvement of the State's EMS and Trauma System. This is accomplished by aiding the Bureau's Data and Quality Assurance Program in the development of guidelines, reports, and recommendations to the Statutory Councils. (Updated 04/24/2023)
